MASS INTENTIONS 

“Take it; this is my body.’ Then he took a cup, gave thanks, and gave it to them, and they all drank from it. He said to them, ‘This is my blood of the covenant, which will be shed for many.’”

Moses enacted the Saini Covenant through the blood of sacrificed bulls, the new covenant is through the sacrifice of Jesus Body and Blood. Today we celebrate the feast of The Most Holy Body and Blood of Christ, also known as Corpus Christi. What Moses did for the people Israel was the beginning of our journey closer to God and the eternal life that we had once shed. God ever faithful reached into the lives of the Israelites and offered them a new relationship sealed in the Covenant of Sinai. As time progressed and we came closer to God, God continued to reach out to use through the prophets leading us ever closer to God most faithful. Even when we strayed God led us back and drew us again closer to Himself. Then when the time was right He sent His Son into the world. Jesus the Son of God could complete what we ourselves could never do. Only by the self-sacrifice of Jesus on the cross could our relationship with God be made whole. He accepted our punishment for Sin and gave to us His life and Body and Blood that we might have life in God forever. This food in the form of Bread and Wine that we take is truly His Body, truly His Blood. In this gift of His life we are joined to him and him to us. Let us then with reverence come to the Lord as often as we are able. Thus strengthened by the Body and Blood of Christ we can then do His work in bringing the whole world to the salvation offered to us in Christ.
