MASS  
INTENTIONS 

**“I give them eternal life,  
and they shall never perish.”**

It was these words that gave the Apostles and those who first believed the strength to endure the persecutions that they experienced. Jesus promised that he would care for his flock and would protect them from all harm. He indeed took upon himself the penalty for our sins, dying on the cross. But when he rose from the dead He offered eternal life to all those who would follow him. For this we give thanks! Not only should we give thanks but like Paul and Barnabas we should proclaim boldly the truth that Jesus, the Son of God, became one with us in our humanity, died for our sins, though He Himself was sinless, and rose from the dead. Then we as His followers, members of His flock, we shall see him face to face, and know the promise of eternal life.

**VOLUNTEER COORDINATOR NEEDED:**

This past week we met to begin the process of restarting our traditional Chicken Dinner for the last week of October. Many people stood up to take positions of leadership and are beginning the work of organizing their particular ministry for the dinner. One thing we do not have is a person to coordinate all the leaders and their volunteers. Would you consider becoming that person? You will have the support of those who have already volunteered, clerical support from the Parish Office, and my Assistance to help get things done. I unfortunately cannot do this all by myself and need someone to take on this important task. If you are interested please contact me (618) 971-8487, frbill@gmail.com or catch me after Mass.

**Live Streaming the Mass:**

Over the past few weeks I have managed to set up a system to live stream our liturgies at Saint Alphonsus. This was done so that members of the parish who are homebound can participate in worship with us, even though they cannot be physically present. If you know of anyone who might be interested in this, please let them know that the opportunity exists. You can find the streams on the Saint Alphonsus website:

[www.sap-brighton.org/?page\\_id=566](http://www.sap-brighton.org/?page_id=566).

That link is directly to the live stream. You can also find an archive of older streams under the Live Stream tab. Again, please let those who cannot be here and who have access to the internet know that we are doing this.
