MASS INTENTIONS 

“My friend, move up to a higher position.”

Wouldn't we all like to hear this from God? But we cannot hear it when we take upon ourselves a position that is not ours. Indeed we might very well find ourselves out of place and out of ideas. How then can we do what needs to be done. We can rely on God. If we rely on God we will find the wisdom to do what is right and in such a way as not to bring attention to what we do but point ever to the one who makes possible the work which we do. God is the giver of all good things and makes possible all that we do. We each have been blessed with many gifts, not the least of which is our life. Let us then use those gifts we have been given not merely for ourselves but for God and our neighbor. Living in this way we will find that true fulfillment and joy is not in privilege and power but in the relationships we have, with God, our Families, our friends and those strangers who enter our lives. To live only for ourselves will leave us wanting and in the wrong place. With humility and trust in God we will find ourselves ushered into a place of honor within the Kingdom of God.
